CAMPUS PARKING

Special parking permits will be issued to off-campus judges and workshop presenters and certain educators in charge of specific events for the day(s) in which their activity takes place.

All other county staff and volunteers must park in the residence hall parking lots. Educators should bring their county placard. Additional parking permits are available for approved Residential Lots for $1.00 each. These permits must be requested on the fee transmittal form that is submitted to Ag Conferences. The permits will be distributed with your county registration materials at Roundup. If you find that you need more permits than you request on the transmittal form, they can be purchased at the Parking and Transit office which is located at 1006 West Hall of Fame (corner of Hall of Fame and Monroe). The Parking Office hours are 7:30 am to 5:30 pm M-F.

Vehicles parked in restricted zones, such as handicapped, facility maintenance, physical plant or loading zones, will be ticketed and may be towed at the owners’ cost. In addition, vehicles parked in lots other than residence hall lots without the above permits will be ticketed at the owners’ expense.

FYI….Buses do not require a parking permit. However, they MUST be parked in the approved bus lots #120 and 102 (see website below for location).

Note: Certain areas of campus parking may be under construction. Updated information will be posted or emailed as it is available. You may also visit the OSU Parking and Transit website http://www.parking.okstate.edu/Default.aspx# for more information.
