Recording Hunter Safety Number

In the initial stages of 4HOnline data management, the Hunter Education number, certificate and/or card can be managed on the Personal Information page for each member. In the future, instructions will be provided for recording certifications completed for individual disciplines.

The information can be managed/entered by the family or the county office.

1. Log in to the member’s Account and go to “Additional Information.”

2. Scroll down to Shooting Sport and enter the date the course was completed.
3. Upload the certificate (youth under the age of 10) or the Hunter Ed Card.
4. Enter the Hunter Ed Number.
