If coaches, members or parents/guardians have questions regarding rules and/or equipment requirements, they are encouraged to contact the State 4-H Shooting Sports Coordinator for clarification prior to the event.

Learning the rules is part of the educational process for shooting sports participants.

For all State 4-H Shooting Sports Contests, once the event has begun, if it is determined that a member has used equipment not within acceptable standards as set in the contest rules, the member will be asked to leave the field of competition and their score(s) for that event will be forfeit.

NEW FOR 2016: Each age division can have a team consisting of 3 or 4 members. The team’s score will be determined using the three highest scores. Awards will be given to the members of the first place team.
