

OPPORTUNITIES

In Oklahoma 4-H, youth can grow in exciting projects such as public speaking, horticulture, animal science, shooting sports, photography, robotics, child care and more.

Youth also have the opportunity to participate in competitions, hold leadership positions within their local, district and state program, attend state and national trips and earn college scholarships.

HOW TO JOIN

4-H programs are available in every county in Oklahoma. Your county Cooperative Extension Service office is your resource for getting involved in 4-H. There is a \$20 per year program fee to join Oklahoma 4-H. This fee helps to maintain a high-quality program for youth and volunteers. No one will be denied participation in 4-H due to the inability to pay.

THE 4-H PLEDGE

I pledge my head to clearer thinking, my heart to greater loyalty, my hands to larger service, and my health to better living for my club, my community, my country, and my world

Any person (student, faculty, or staff) who believes that discriminatory practices have been engaged in based on gender may discuss his or her concerns. Issued in furtherance of Cooperative Extension work, acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture, Director of Oklahoma Cooperative Extension Service, Oklahoma State University, Stillwater, Oklahoma. This publication is printed and issued by Oklahoma State University as authorized by the Vice President of the Division of Agricultural Sciences & Natural Resources and has been prepared and distributed at a cost of \$.64.

OKLAHOMA 4-H

OUR MISSION

To provide Oklahoma youth, families and communities with educational programs to create environments for diverse audiences of youth and adults to reach their fullest potential. In support of this mission, we:

- provide community-based experiential learning.
- help youth develop skills that will benefit them throughout life.
- foster leadership and volunteerism.
- strengthen families and communities.

OUR VISION

Through Oklahoma 4-H, youth will feel valued and empowered as a resource in their communities, practice effective decision-making skills, feel personal pride that comes from achievement and be environmental stewards.

OUR FOCUS

Oklahoma 4-H focuses on three mission mandates: citizenship, healthy living and science and technology. Citizenship programs empower youth to be actively engaged in their communities. Youth learn the importance of physical, mental and emotional health through healthy living programs. Science and technology programs provide hands-on activities for youth to expand their knowledge in the areas of science, technology, engineering and mathematics.

INVOLVEMENT

Youth ages 8 by Aug. 1 and in the 3rd grade through 12th grade can be 4-H'ers. For youth ages 5 to 7, most counties offer a noncompetitive program called Cloverbuds. Adult volunteers and Extension educators who work for the Oklahoma Cooperative Extension Service supervise all 4-H activities. Parents are encouraged to take an active role by serving as project leaders or volunteers.

Did You Know?

4-H'ERS ARE

4x MORE LIKELY TO MAKE CONTRIBUTIONS TO THEIR COMMUNITIES

2x MORE LIKELY TO BE CIVICALLY ACTIVE

2x MORE LIKELY TO MAKE HEALTHIER CHOICES

2x MORE LIKELY TO PARTICIPATE IN SCIENCE, ENGINEERING AND COMPUTER TECHNOLOGY PROGRAMS
