Individuals and teams complete against one another.

Definitions of 4-H Presentations

SPEECH

Defined as...

A 4-H talk/speech is one form of sharing information and educating an audience about a specific subject. It is an oral presentation in which the member does not rely on posters/illustrations or objects. All illustrations are communicated through verbal descriptions. Basically, the 4-H member paints a picture or tells a story through oral communication.

There are no props/posters/costumes in a speech.

5- 7 Minutes

- Individual ONLY
- No TEAMS

ILLUSTRATED PRESENTATIONS

Presentations in this category include both illustrated talks and demonstrations. They are judged together as an “illustrated presentation.”

No PPT/Digital/slides in this division.

5-12 Minutes

- Individual
- Team

A 4-H illustrated talk is another means of sharing information and educating an audience about a specific subject. In the oral presentation the member uses posters/illustrations or objects to emphasize/illustrate specific points in the speech.

A 4-H demonstration is a means of sharing information with an audience by showing how to do something. In the presentation the member shows how to make an item or complete a task. When a demonstration is finished the 4-H member will have a finished product to show.

DIGITAL PRESENTATION

See definition of an illustrated talk. The primary difference, a Digital Presentation replace posters and the presenter is demonstrating the skills they have mastered when integrating technology into a speech/presentation. Members will be evaluated on their ability to design and create effective slides (Prezi, PPT, Google Slides, etc.) which complement the oral content of the talk/speech. The digital platform (slides) should not be the “presentation.”

5- 7 Minutes

- Individual ONLY
- No TEAMS

TIME LIMITS:

Speech	5-7 minutes
Illustrated Pres.	5-12 minutes
Digital Presentation	5-7 minutes

Penalties: Presentations under or over the time limit will be penalized five (5) points for each full minute over or under the time limit. Any presentation going 2 minutes over the allowed time will be stopped.

Communication works for those who work at it.
