DETAILS

The ATV RiderCourse is two parts: a 2-hour online e-Course and a 3–3.5-hour hands-on s-Course conducted by licensed ATV Safety Institute instructors.

The e-Course develops safety knowledge and awareness through interactive activities and video. The course covers protective gear, environmental concerns, riding strategies and local laws, and it's a prerequisite for the s-Course.

The s-Course offers students an opportunity to practice basic riding skills in a controlled environment under the supervision of a licensed instructor.

Youth groups can also add a Teamwork/Leadership activities component to the RiderCourse.
