The ATV RiderCourse is two parts: a 2-hour online E-Course and a hands-on, 3- to 3.5-hour S-Course conducted by licensed ATV Safety Institute instructors.

The E-Course develops safety knowledge and awareness through interactive activities and video. The course covers protective gear, environmental concerns, riding strategies, and local laws and is a prerequisite for the S-Course.

The S-Course offers students an opportunity to practice basic riding skills in a controlled environment under the supervision of a licensed instructor.

Youth groups can also add a Teamwork/Leadership activities component to the Rider Course.
