State 4-H Leadership Council Certification and Commitment Form

As a member of the State 4-H Leadership Council, I will:

- Make 4-H a top priority during my full term
- Be self motivated, organized, and responsible for my personal actions and commitments
- Willingly accept challenges with enthusiasm, perform to a high degree, take action without being told, and keep a positive attitude in all I do both in and out of the Oklahoma 4-H program
- Stay informed, prepared, and supportive in the marketing and presentation of state 4-H service projects
- Accept responsibilities of being a participating and contributing member of State 4-H Leadership Council and state committees
- Officially represent 4-H to the public, legislators, university officials, and other decision makers

I have carefully considered and understand the sacrifice of personal time and finances required to serve as a member of the Oklahoma State 4-H Leadership Council. I have rated myself and personally filled out the electronic application and the information included is correct. I have read and am willing to accept and abide by the responsibilities both expressed and implied as outlined in the State 4-H Leadership Council Information Sheet. I do understand that the listing is not all inclusive and it is my responsibility to ask for clarification prior to being elected.
