

Educators:

1. Copy the card below and provide to the teacher in the classes where Take A Stand, K-2, was taught. Ask them to go to the website to complete the Teacher Evaluation Form for their class. A paper copy of the evaluation is included with the curriculum, but feel free to provide this technology option as well.

Thank you for participating in the Take A Stand program with your class. Please help us determine its usefulness by completing a short online survey.
